Conflict of Interest Situations and Appropriate Mitigating Measures

CIMB Investment Bank Berhad (“CIMB IB”)

CIMB IB, the Principal Adviser, Lead Arranger and Lead Manager, is a subsidiary of CIMBGH by virtue of CIMBGH’s 100% shareholding in CIMB Group Sdn Bhd which holds 100% shareholding in CIMB IB.

Notwithstanding the aforementioned, CIMB IB, in relation to its role as, amongst others, the Principal Adviser in respect of the Programmes and the Lead Manager in respect of the Issuance, has considered the factors involved and believes that objectivity and independence in carrying out its role has been/will be maintained at all times for the following reasons:

- CIMB IB is a licensed investment bank and its appointment as, amongst others, the Principal Adviser in respect of the Programmes and the Lead Manager in respect of the Issuance is in the ordinary course of its business.
- CIMB IB is one of the major arrangers and managers in the Malaysian corporate bond/Sukuk market and is committed to upholding its integrity and responsibilities in relation to the Programmes. This commitment is manifested in the Principal Adviser’s declaration included in the submission to the Securities Commission Malaysia in relation to the Programmes.
- A due diligence review pursuant to the Programmes was undertaken together with other independent professional advisers.
- The conduct of CIMB IB is regulated strictly by the Financial Services Act 2013 and by its own internal controls and checks.
- Save for the professional fees charged in relation to its role as, amongst others, the Principal Adviser in respect of the Programmes and the Lead Manager in respect of the Issuance and as potential holders of the MTNs (please see below for further

details), CIMB IB will not be deriving any monetary benefit from the Issuance outside of its aforesaid capacities.

Additionally, CIMB IB, CIMB Bank Berhad and CIMB Islamic Bank Berhad ("**CIMB Islamic**") have obtained approval from Bank Negara Malaysia to subscribe for the MTNs at the primary level from time to time throughout the tenure of the Programmes, subject to the conditions prescribed by Bank Negara Malaysia. If any of the above entities decide to subscribe for any MTNs, then CIMB IB or its related entities would also have an exposure to the Issuer at the time of issuances of MTNs under the MTN Programme.

CIMB Islamic Shariah Committee ("**Shariah Committee**") is the Syariah Adviser for the Islamic MTN Programme and it is not involved in the Issuance, as it is issued under the RM6.0 billion conventional MTN Programme.

The Board of Directors of CIMBGH are fully informed and is aware of the potential conflict of interest situation set out above and are agreeable to proceed with the present arrangement.
